New Zealand Immigration & International Recruitment

1881 Global Mobility
Immigration, recruitment, employer support

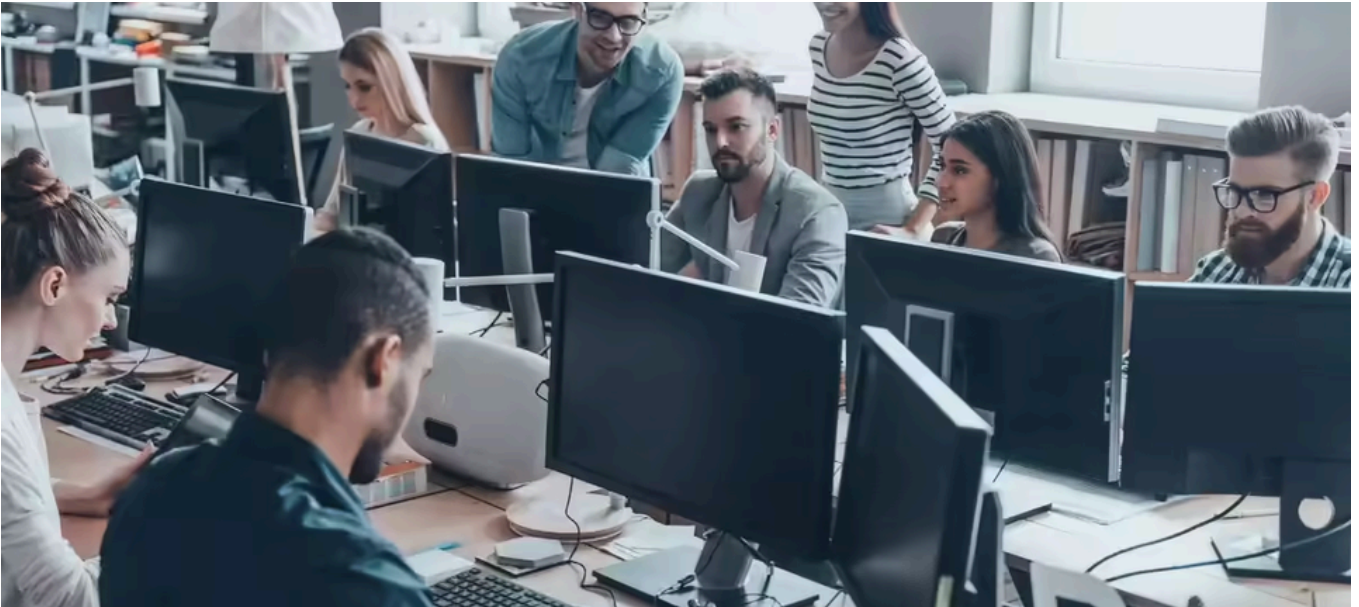

A practical partner for New Zealand employers

NZ employers face a competitive labour market where international hiring is often slowed by immigration settings, compliance, timelines, and candidate readiness.

1881 Global Mobility provides end-to-end support to help you hire with confidence, stay compliant, and keep operations moving.

What we do for employers

- Immigration planning for business needs
- Accredited employer and renewal support
- Job Check preparation and evidence
- AEWV applications
- Partner and dependent visas
- Retention and residence workforce planning

How we work

- Clear scope, steps, and timelines
- Structured documentation for fast approvals
- Responsive communication and progress updates
- Process protecting both employer and migrant worker

Ethical and compliant approach

We operate with a strong commitment to fair recruitment, transparency, and good employment practices.

Services you can engage us for

- ▶ **Accreditation support**
Support for accreditation applications & renewals, with ongoing compliance guidance & readiness support.
- ▶ **Job Checks**
Role strategy, documentation & labour market testing support, & employment agreement review to reduce risk.
